

PARA CONE GL GU10

black / transparent 1-phase spot

The conically shaped reflector of the PARA CONE GL GU-10 provides a particularly warm lighting effect. The family can be individually combined into a cloud of light with a wide range of colours and sizes. The 1-phase system light is installed conventionally on the busbar system, which makes it flexibly positionable as well as rotatable and pivoting. And last but not least, the housing made of aluminium and glass impresses with its robust quality. Experience PARA CONE in action and convince yourself of a successful lighting experience.

TECHNICAL DATA

Item no.:	1006155
Socket	GU10
Number of sockets	1
Primary nominal voltage	220-240V ~50/60Hz mA/V
Tilt range	90 °
Horizontal rotation range	300 °
Height	22.0 cm
Diameter	13.5 cm
Net weight	0.45 kg
Gross weight	0.482 kg
IP Code	IP 20
Safety class	I
Assembly	Surface
Assembly details	Track Ceiling, Track Wall
Color	black

Recommended lamp

1003101	LED lamp , T32, GU10, 2600K, dimmable
