Caravaggio Matt P1

With its modest and unpretentious appearance, the Caravaggio Matt model is a natural extension of the Caravaggio range. The completely matt finish adds a rare depth and tangibility to the shade, imbuing it with a warm, cosy feel. The delicate whites and greys are finely balanced and interact neatly with each other if you choose to mix the pendants in your interior design solution. The grey tones, which are named after the numbers in the NCS colour scale, are timeless and suit more-or-less all settings.
