CHERRY

Pendant light

In 2015, the Australian duo designers Daniel and Emma signed CHERRY a simple and minimalist pendant lamp design ; an aluminum cone with a bottomed sphere.

Five years later, the designer duo took up the development of Cherry, a playful but sharp pendant light, very emblematic of Petite Friture's DNA.

DESIGNER/ YEAR OF EDITION

Daniel and Emma, 2020

ABOUT THE DESIGNER

They (Daniel To and Emma Aiston) established the design studio DANIEL • EMMA in 2008, to enable them to express their thoughts through Industrial Design. Their studio works on a large variety of projects, ranging from desk objects to installations.
