

APEX

Karim Rashid, 2015

Apex is a wall lamp that is distinguished by its elegant, streamlined design and eye-shaped center. Each end of the lighting fixture tapers off and almost disappears into its surroundings, while at the same time emitting a powerful, functional blade of light. Apex can be installed horizontally or vertically.

Wall lamp with indirect and dimmable light 1-10 V. Body made of glossy painted and die-cast aluminum. Apex can be installed horizontally or vertically.
