

REKTOR RECESSED LED WARM DIM GE

Rektor, the surface-mounted spotlight by Modular, will guide the way around your space. Rektor is a surprising fixture, as it is highly directional despite the super-sleek housing. This makes it a perfect example of accent lighting. Its extensive adjustability and metal colour accent on the housing make it a genuine must-have. Rektor is also handy for highlighting a wall or specific object. Rektor is very versatile in use, as it can also be mounted on the MP78 light line. Recently launched Rektor recessed is nothing more, but also nothing less, than a highly adjustable ceiling spotlight. Pure essence of lighting.
