cod. 4251 (120V) 50-60 Hz

1 x max 30W E26 - 3 x max 23W E26 FL

Ø 13,8"x21"

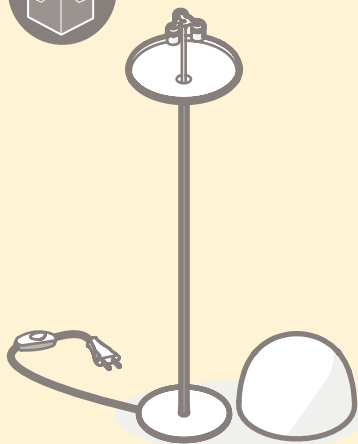

This portable lamp has a polarized plug (one blade is wider than the other one) in order to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension card, unless the plug can be fully inserted. Do not alter the plug.

Afin de réduire le risque de choc électrique ce luminaire mobile est pourvu d'une fiche murale mâle polarisée (une lame est plus large que l'autre). Il est possible de l'insérer dans une prise polarisée seulement dans un seul sens. Si la fiche n'entre pas complètement dans la prise, inverser la fiche. Si elle n'entre pas encore, contacter un électricien qualifié. Ne jamais utiliser une fiche autre que celle livrée d'origine, à moins que celle-ci ne puisse être insérée complètement. Ne pas modifier la fiche.
