PO

DESIGN

This Caravaggio™ pendant consists of a handblown glass shade with soft, feminine lines held by a metal suspension. The textile cable is particularly well integrated into the design and gives the lamp its finishing touch. The lamp casts a concentrated, downward light whilst also illuminating both the suspension and the cable through a hole at the top of the lamp. The shade is designed to prevent glare and provide beautiful, well balanced light.

MATERIAL

Shade:

- Opal Glass

Suspension:

- Steel/Aluminium
